I can confirm that I have known Marius van der Merwe for 2 Years.

As an Engineer at Sunstone Logistic Systems, Marius has been involved in the implementation, development and managing of multiple projects. His involvement is always skilled, proactive and professional.

At all times I have found Marius to be dependable, reliable, hard-working, conscientious, honest, approachable, excellent communications skills and skilled. Marius can work independently and is able to follow through to ensure that the job gets done.
